Leadership Coaching

Our Leadership Coaching Programme is designed to encourage and guide School Management Teams, School Principals, Prefects or Grade 12 students.

Choose from some of our most popular topics below -

Conflict Management

We make use of Thomas Killman Conflict Management Tool. We then facilitate a group Conflict and Resolution Circle in order to identify the gold we bring and the shadows we carry.

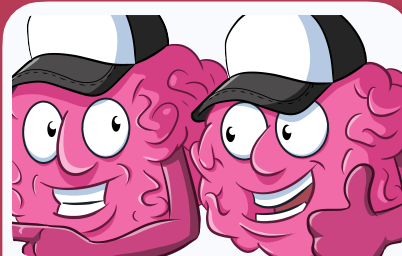

Leading as a Team

What is Cohesion and how do we ignite the right drivers in our teams to achieve Purpose Driven Cohesion? How do we Sharpen the Arrow and Secure Accountability and Responsibility?

Vital Lessons in Leadership

Learn about The Four Pillars of Leadership, The Framework of Leadership, The Leadership Revolution, The Power of the First Follower & Leadership Styles.

Care to Dare

Unleash the power of your leadership team. You can neither Lead, Dare nor unleash the power of your leadership team unless they are able to CARE for themselves FIRST.

Recognition for Performance

How do we take our colleagues on a positive brain experience while giving them feedback? How do we keep their brains in the reward phase without allowing them to drop into the danger mode and shut down, preventing them from processing the issues?

Leading is the opposite of controlling people

Learn about the 'Cloud 9 leadership qualities in this fascinating session. 5% of Leadership is genetic, 95% is learned behaviours. All 9 of the skills shared in this presentation are learn-able. Let's dig in!

Looking for a more tailored approach? Let's Chat!

We can adapt any presentation to meet the needs of your school and context.
